

JANUARY 31.2012

We arrived at station at 8:00 A.M Carini (with miss. Fantasia and miss. Leto).

After twenty minutes we arrived to the Palermo's central station and we started to walk to go to the gallery of modern art.

Arrived at the gallery, we watched pictures, sculptures etc..

In the museum there are rules. The phones must be off and do not touch the pictures. We wrote notes. Our favourite pictures were : “ Nudo- Renato Guttuso”, “Taormina-Ettore De Maria Bergler”, “Enrico Lionne (Della Leonessa)”

We visited beautiful churches (Churches of San. Cataldo) and the *square of shame* and Sant'Anna square .

- Square of shame Piazza della Vergogna Palermo.

- Church of San.Cataldo.

In the church of St.Cataldo the floor is a mosaic, it was small but very nice!
